PART I.

Notifications by the Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE.

No. 1241– *San.* 6-10-2, *dated 4th August* 1910.

It has been brought to the notice of the Government of His Highness the Maharaja of Mysore that, during the outgoing pilgrim season of 1909, between the 20th October and 15th November 1909, there was a sudden and heavy influx into Bombay of pilgrims to the Hedjaz from other Provinces due, in great measure, to the action of certain Mahomedans from Arabia, who act as guides to pilgrims and who, by spreading reports of cheap passages and by various other methods, succeeded in persuading their co-religionists to perform the Haj. This caused a heavy rise in the rate of passages to Jeddah, and, as a result of this and of the high fees and commission demanded by the guides, it is reported that several pilgrims return to India in a destitute condition. All intending pilgrims to the Hedjaz are, therefore, hereby warned that no credence should be given to reports circulated by irresponsible persons from the Hedjaz, and that they should apply direct to the Protector of Pilgrims, Bombay, for any information they may require on the subject of their pilgrimage.

2. As small-pox is frequently prevalent in a virulent form in the Hedjaz, all persons who intend to perform the Haj are hereby warned that they should get themselves vaccinated or revaccinated before they leave their homes for Bombay.

3. The Deputy Commissioners of Districts and the Presidents of the City Municipal Councils of Bangalore and Mysore are requested to explain to intending pilgrims, through the leading members of the Mahomedan community, the purport of this notification and to instruct local officials to endeavour to popularise vaccination among them. They should also arrange for the grant of certificates to those who are vaccinated or revaccinated before their departure for Bombay.
